## Sealund & Associates Helping Moses Feed Our Children

Thanksgiving, turkey, dressing and mashed potatoes are important for children --- and Moses Brown makes sure that every child enjoys the feast. Feed our children is a ministry that Sealund has enjoyed supporting since 1997. "It's wonderful to see the smiles and good manners of the children as they wait their turn among hundreds of kids for Thanksgiving dinner," says Barbara Sealund.

Sealund & Associates created a Multimedia Presentation on CD-ROM for the "Feed Our Children" foundation. "The Multimedia Presentation helps me to get the word out to many business on the needs of our children in the community"

Volunteers from the community and Sealund & Associates are pleased to serve Thanksgiving dinner to the appreciative children.

Moses Brown, Founder of Feed Our Children, and his wife, Jeanette, are thankful that God brings more and more children each year for the Thanksgiving feast.

“We are blessed to play a small role in such a vital ministry as Feed Our Children.”
